Cure Kids

Fiji Islands

A fundraising event in the beautiful Fiji Islands

20th – 24th
October
2008

Over FJ\$251,000 was raised from the inaugural Accor Race to Survive to Cure Kids in Fiji and funded basic, life-saving medicines and vital medical equipment which we believe, are every child's right. Plans are well underway for 2008 and we are looking for teams who wish to compete and raise lots of money for the beautiful children of Fiji.

RACE TO SURVIVE

Race to Survive is a team event and incorporates five days of running, mountain biking, ocean swimming and outriggering in the stunning Fiji Islands. Below is an indicative race plan only at this stage and distances may change slightly:

Sunday	Course briefing, safety training
Monday	5km run – 2km swim – 30km bike
Tuesday	30km bike – 18km outriggering
Wednesday	3km swim – 5km run
Thursday	18km outriggering – 35km bike
Friday	15km bike – 2km swim – 5km run – Gala

TEAMS

Each team is to be made up of five people. One of the five people will be an Accor Fiji staff member. Beyond this, how your team is made up is up to you.

ENTRY FEE & FUND RAISING

Your team entry fee is \$7000. This is the minimum and previous competitors raised four times this amount.

TRAINING

You do not need to be an iron woman or iron man for this event. Depending on your current level of fitness training would take a commitment of half an hour to an hour five times a week. It is also recommended that you get together in advance to practice your outriggering skills.

PERSONAL INVESTMENT – estimates

Airfare	\$400 (highly supplemented by an airline sponsor partner)
Mountain Bike	\$Borrow from home and bring
Training Wear	\$300 (if you do not already own)
One weeks annual leave	\$Priceless
